***Allowable Subject Matter***

Claims 1-3 are pending and allowed for the following reason:

***Reason for Allowance***

The following is an examiner's statement of reasons for allowance:

The instant claims 1 and 2 recite compounds of substituted *pyrazole*. The instant claim 3 recites a compound of substituted *imidazole*. They are specific intermediates in processes of making compounds as disclosed in Examples 26 and 34 of WO 98/57951 (published on 12-23-98). However, the instant application claims priority back to US 6,339,099, which has an effective filing date of 6-18-98. Thus, WO'951 is not a competent prior art, and therefore, cannot anticipate the instantly claimed compounds.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
